Sign of the Cross

Start off with a reminder of how to do the sign of the cross correctly. The three fingers together represent the Holy Trinity. The two fingers that remain represent the dual natures of Christ - Human/Divine. In order to make the sign of the Cross, with our fingers in this position, we touch our forehead, for the blessing of our mind, our stomach, for the blessing of our internal feelings, then our right and left shoulders, for the blessing of our bodily strength.
Color the Cross and cut it out. Fold along the lines and glue. Hold on thumb (numbers face child) to remember how to sign the cross.

Please send pics and video to jen@stjohntpa.org

WEDNESDAY deadline to make it in video.
